EXPERIENCE AFFIDAVIT - SELF-EMPLOYED

If you are self-employed and wish to use that experience to obtain your North Carolina CPA certificate, you must provide five (5) notarized statements from different individuals or companies who have been your clients during the same period of time needed for certification. These individuals or companies must be able to state that you have performed accounting work full-time for the entire period. You must also submit copies of state or local privilege licenses for the same period of time you are using for self-employed experience. If your state, county, or municipality does not require a privilege license, you must submit copies of the Schedule C pages of your tax returns. Copies of your individual or firm registration documentation from another board of accountancy are not acceptable documentation of your experience. Please refer to 21 NCAC 08F .0401 for the rules on experience.
